PROGRES

Pembuatan kepala character

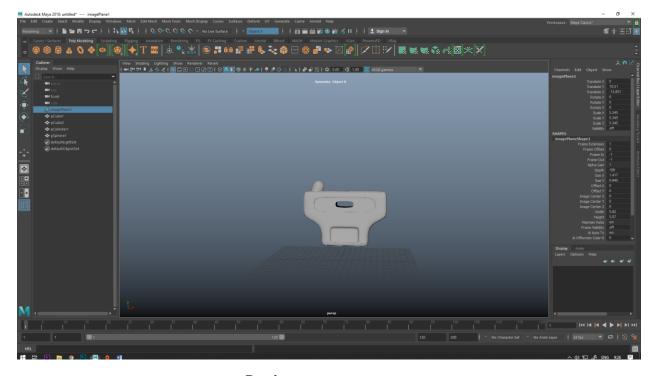

Pembuatan Telinga yang susah sekali

pembuatan badan

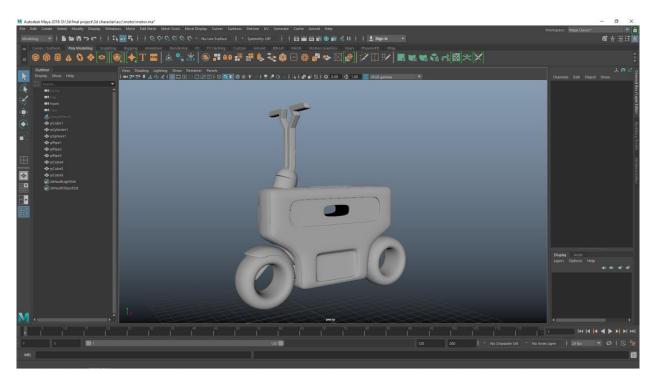

Accesoris

Pembuatan concept motor

Progres 8 mei

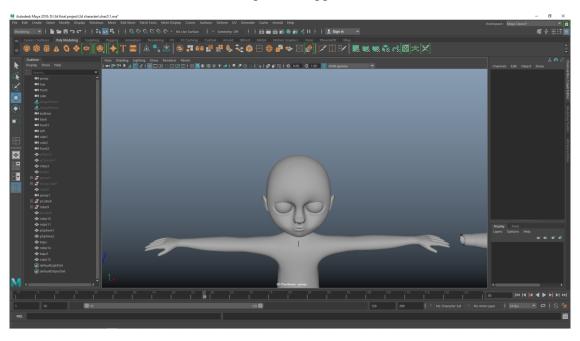

(tidak terpakai)

Bagian badan sudah hamper selesai kurang telinga Motor tinggal menambah kan bbrp accesoris

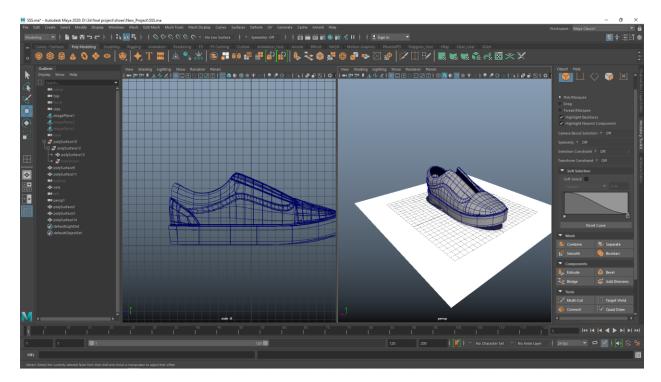

Progress minggu 9

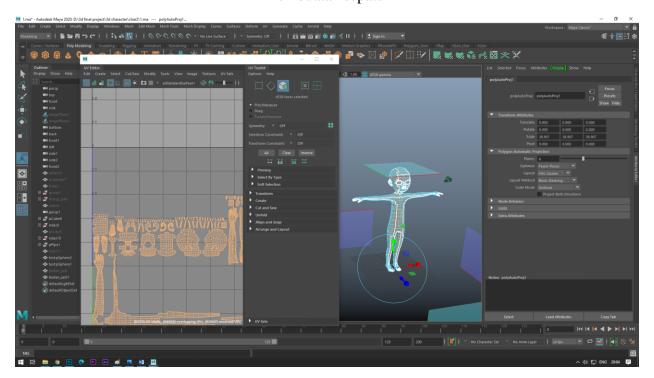

Telinga sudah jadi

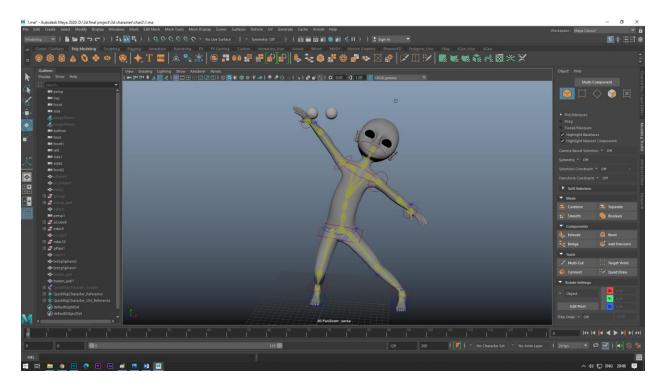

Pembuatan baju

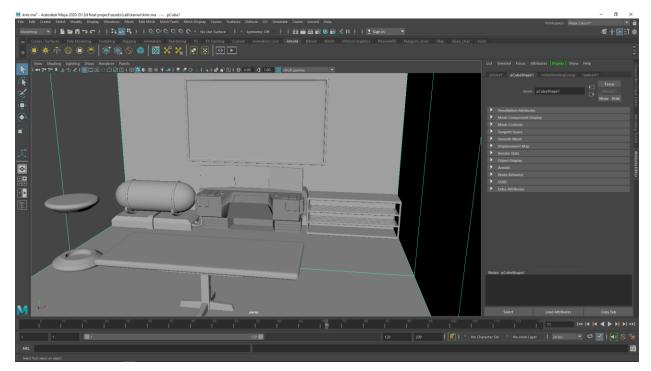

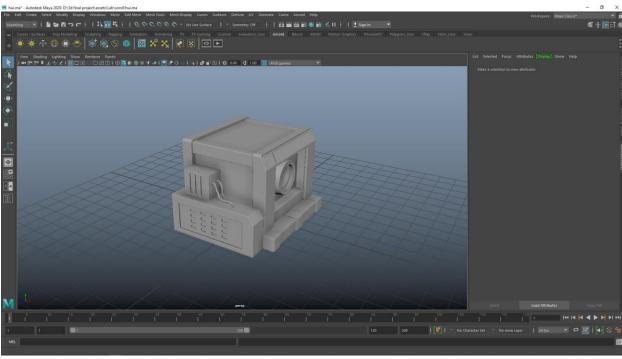

Pembuatan sepatu

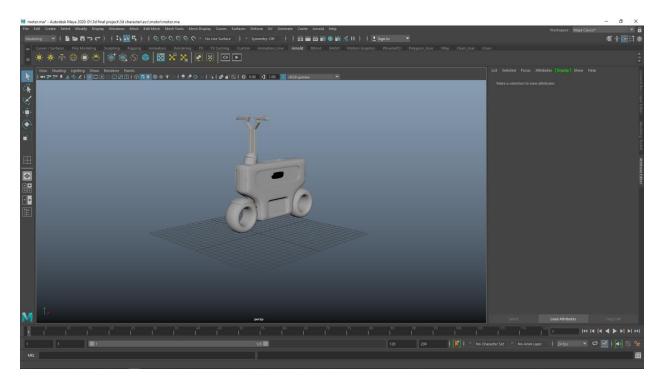

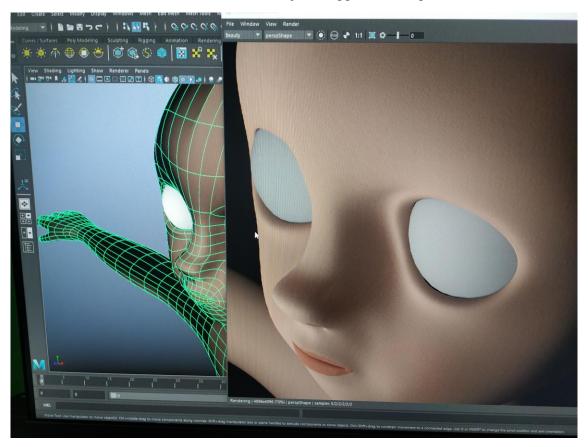

Test rig

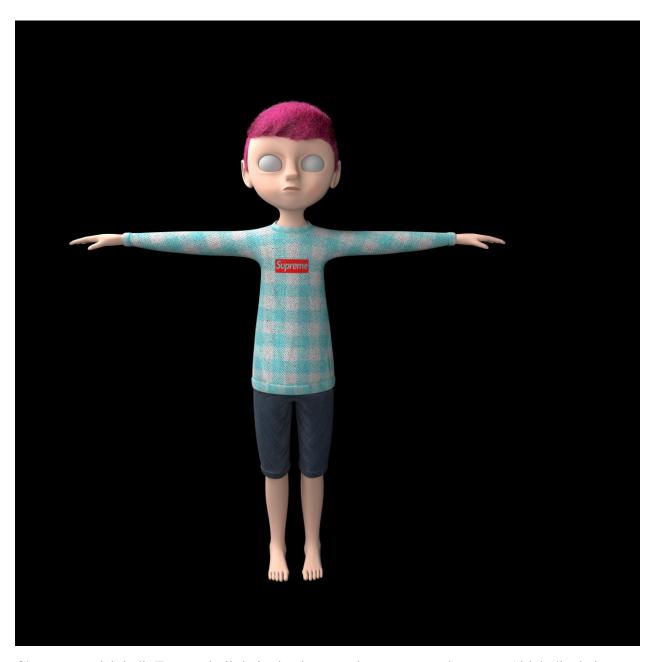

Environtment sudah jadi tinggal texturing.

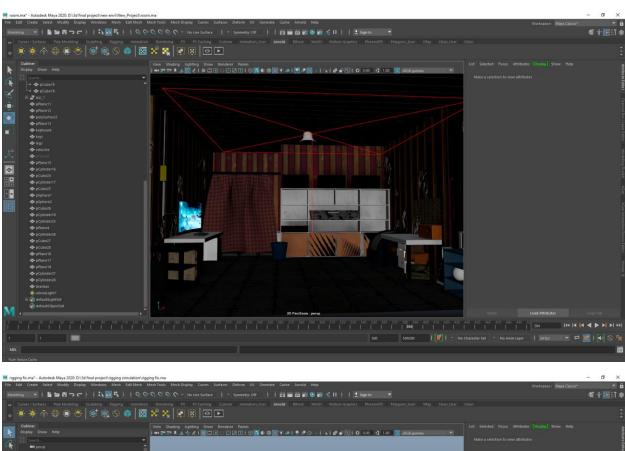

Test render skin texture.

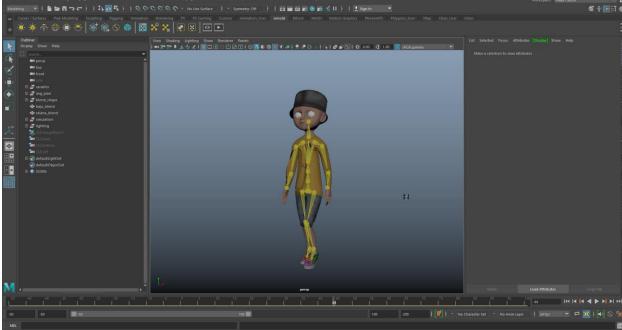

Character sudah jadi. Texture kulit baju dan juga rambut menggunakan xgen.(tidak dipakai hanya nyoba)

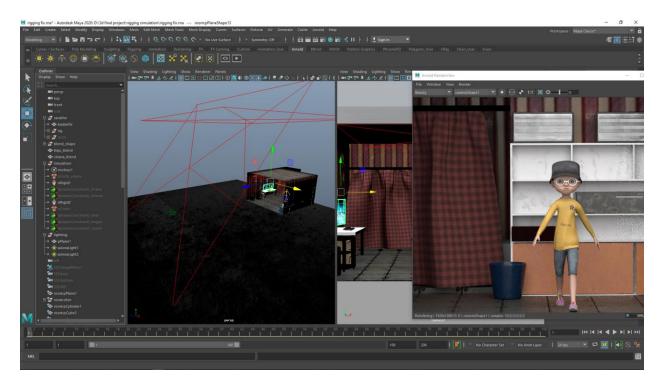

Sepatu juga sudah jadi dan diberikan texture.

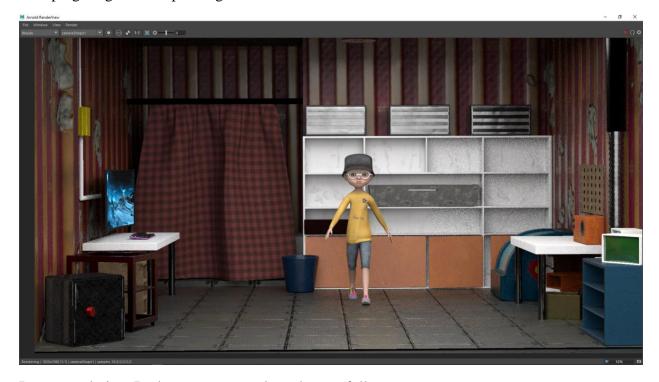

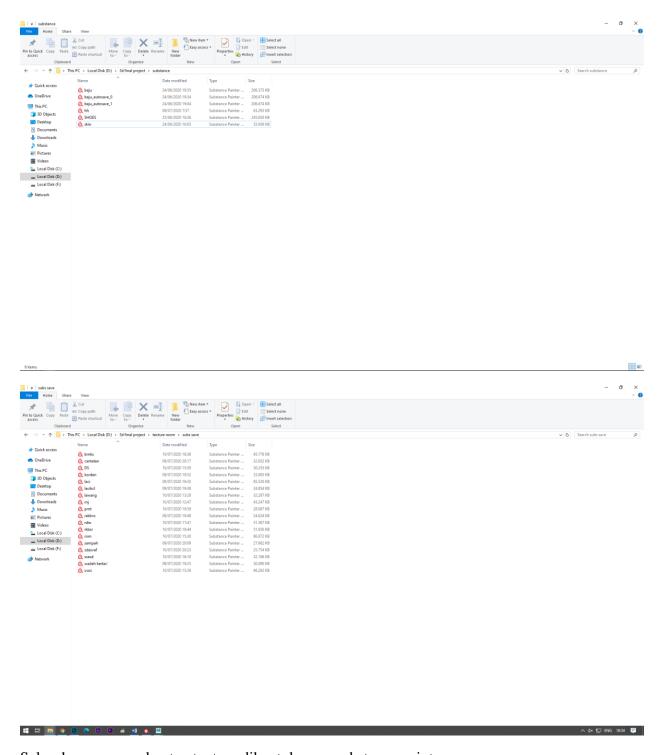

Environtment ganti dan yg awal tidak jadi dipakai.

Set up lighting dan compositing.

Proses rendering. Berlangsung sangat lama karena full texture map.

Seluruh proses pembuatan texture dibuat dengan substance painter.
